RED HEADED DEMOCRAT

Jas. White is learning the alphabet, he has got to B and stopped.

We are true Democrats down here.

Ugh! Force Bill! Evans must not predominate.

We are a white people in a white man's land and for a white man, and a Democrat to vote for Evans must have no regard for himself.

Democrats go to the polls in November, vote the pure, undefiled ticket and go home happy.

Three cheers for Carmack, Bryan, Taylor, McMillan and Brandon.

Organization

Urged by State and County Committees—Call for Democratic Conference.

Nashville, Tenn., Oct. 17, 1906

C. T. CRAWFORD, Sec'y,

DEAR SIR:—

The most important thing before us now is the local campaigning and organization of every County in the State. This work must necessarily be done by the County Democratic Executive Committees, local Democratic officials, local Democratic nominees for the Legislature, Democratic Congressional nominees, and active local Democratic speakers and workers.

Do not delay this. Enlist your speakers and candidates. Let the County Democratic Committee be called together, if it has not already been done. Let every Committeeman go to work in his ward or district, organize a club or campaign committee in his ward or district, have every Democrat seen, look to it that every Democrat liable therefor is qualified by having his poll tax receipt for 1905, and that every Democratic vote is gotten to the polls and cast for the straight ticket.

The Republicans are planning to ride every Civil District in the State during the last week of the campaign to get out every negro and every white man who will vote for Evans.

The Democrats are waking up all over Tennessee. They are answering the call of the party and the voice of the South. We want a majority of 50,000. Let us go out and get it.

Very truly yours

H. B. MORROW

Chairman.

A. A. ADAMS

N. G. ROBERTSON

Secretary.

A CALL

In response to the above, I hereby call a conference of Democrats to meet at my office on next Saturday, October 27, 1906 at one o'clock for the purpose of arranging plans to carry out and make effective the purposes of the State Executive Committee in this County. The members of the County Executive Committee are particularly called together at this meeting, and all Democrats who are willing to aid in an active and winning fight are asked to be present also. The time is short until the election and you are urgently requested to be here.

L. B. WHITE, Chairman.

C. T. CRAWFORD, Sec'y, Democratic Executive Committee of Lawrence County.

We join in the above call, urging all club officers and members and all other Democrats to get together and let us council together.

C. T. CRAWFORD, Pres.

FRANK BUCHANAN, Sec'y,

Andrew Jackson Central Democratic Club of Lawrence County.

Ethridge, Route 1.

GIP AND JIP

Death has visited our neighborhood during the past week and took from our midst Bob Swader, who had been sick twenty-two days. He was buried in Vater Graveyard at Mint Springs.

Little Howard Benson who has been sick for the past year has lived to see his thirteenth birthday. We are glad to say he is better than he was last week.

Walter Alexander of Columbia made a flying trip to Center Point last Saturday to see homefolks.

The Mt. Horeb meeting closed with twenty-three conversions, seventeen of these were baptised last Saturday evening down below Marcella Falls church. Five young ladies, one married lady, only one married man, the rest being young men of the neighborhood.

They were: Mrs. Davis, Misses Ida Potts, Maude Hills, Edna Escue and Annie Collier; Mr. Davis, Jim and Earnest Powell, Charlie Sylvestre, Clifford Cothren, Forest Hubbard, Robert Escue, Bud Thomason, Claude Hills, Oscar Lintz and Kelley Collier.

Everyone seemed to enjoy the singing at M. K. Alexander's Sunday night more than they enjoyed the muddy roads going and coming.

Some of the people in Mt. Horeb neighborhood have become very religious of late. They seem interested in or at least have been attending the negro revival. Wonder where they will go to attend the next revival.

Several of our citizens are in Nashville this week attending the fair.

Bro. Tommie Howell has been chosen pastor of the Mt. Horeb Church. He preached an interesting sermon Sunday afternoon in which he encouraged the young people to continue their prayer meeting every week.

Carl Gilliam of Campbellville attended church here Sunday.

Mr. Robert Carroll from near Hohenwald was here Sunday. Wonder what his business is in Lawrence.
